2	Concrete of granite broken jelly in railway cement 1 : 3 : 6	100	1,372	...	...
3	Dressed stone lintels 4" to 6" thick including fixing	...	4	...	...
4	Masonry contractor's burnt brick in railway cement	100	2,690	...	...
5	Do do in lime founds and plinth	...	225	...	...
6	Plastering in railway cement	100 S.ft.	17,655	...	...
7	Supplying and fixing stoneware pipes 4" dia. in railway cement	R.ft.	380	...	...
8	Supplying and fixing C. I. frame with lid at top 2 ft. dia. on manhole	Set	7	...	...
9	Supplying and fixing gully traps	Each	7	...	...
10	Pipe trenching including filling in	100 C.ft.	2,890	...	...
11	Flooring with 1½" cement concrete on 3" thick lime concrete including plastering in railway cement ½" thick.	100 S.ft.	3,400	...	...

N.B.—Contractor should make his own arrangements for water. All debris after completion of work should be removed at contractor's cost. Cement G. I. sheets, plain for gutters, asbestos sheets will be supplied departmentally free of cost to the contractors. Payment for doors and windows will be made on the clear dimensions between frames.

1025

S. RAJAGOPAL, Ag. Dist. Engr.

HASSAN DISTRICT.

Notification dated 10th February 1949.

No. F4. P. R. 98—48. Tender for transport of paddy from Coorg to Hassan District under Kharrif Plan for 1948-49.

1. Sealed tenders will be received in the office of the Deputy Commissioner, Hassan, up to 3 P.M. on Saturday the 26th February 1949 for supply of lorries about 8 to 10 in number for transporting paddy and rice from several centres in Coorg to various places in Hassan District. Tenders received after the expiry of the time will not be considered.

2. Tenders should be addressed to the Deputy Commissioner, Hassan District (Food Supplies), Hassan, in a sealed cover superscribed, "Tender for the transport of paddy from Coorg centres to Hassan District." A Treasury chellan for having credited a sum of Rs. 200 (Two hundred) the earnest money deposited under "Revenue Deposit" in any Government Treasury in the name of the Deputy Commissioner, Hassan District, Hassan, should accompany every tender.

3. Tenders will be opened after the expiry of the time fixed for receiving the tenders by the Deputy Commissioner, Hassan District and in his absence by the Food Assistant and the name of the successful tenderer, will be posted on the notice board and the earnest money of the successful tenderer will be retained and he should execute necessary agreement in the prescribed form within five days of acceptance of the tender, failing which the earnest of money so deposited by the tenderer is liable to be forfeited to Government. The amount deposited by the unsuccessful tenderers will be refunded to them immediately after declaration of the result.

4. The right of accepting or rejecting any tender rests in the Deputy Commissioner, Hassan District, without assigning any reason whatsoever. The successful tenderer must be prepared, after executing the agreements, to deposit Rs. 2,000

as security for carrying out the terms of agreement. He must also be prepared to make good any loss to Government in case of failure to execute the terms of the contract, without recourse to any court of law, in addition to the forfeiture of the security amount.

5. The tender should contain, apart from other particulars, the number of lorries that can be supplied in a batch not less than 2 (two) lorries, which should be in perfect condition and the lorries should have the capacity to carry not less than four tons in a trip.

6. The tenderer should be prepared to run the lorry every day from the date specified by this office and as per instructions of the Food Assistant to the Deputy Commissioner, Hassan District, Food Supplies Inspector or any other officer in charge of the work at Holenarsipur and Arkalgud.

7. The tenderer should keep one or two lorries in reserve with a view to substitute for any lorry that may go out of order or for any other contingency.

8. Each lorry thus supplied, should bring every day minimum load of sixty bags of eighty-three seers, (Mysore measure) paddy or forty bags of ninety seers of rice from Coorg to any place in Hassan District or any other place in Mysore State for about four to five months from the date to be specified from this office.

9. No load should be carried to the return journey from Hassan District to Coorg except those given by the undersigned or any officer deputed by him.

In case any unauthorised loads are carried in return trips the lorry hire payable to the contractor will be deducted proportionately.

10. The rate (per running mile for a unit of sixty bags of eighty-three seers of paddy or forty bags of ninety seers of rice) for carrying loads from several places in Coorg to Arkalgud or Holenarsipur or any other place thereof should be given

parately and those rates should not exceed those prescribed by Government (annas twelve per running mile for trips from Coorg to Hassan and annas ten per running mile for trips within the State).

11. The quantity to be transported will be about 1,400 tons of paddy and rice.

12. In all matters of disputes of any kind not specially provided in the agreement, the decision of the Deputy Commissioner shall be final and legally binding.

13. This contract should not be sub-let.

14. No claim for damages for any delay caused by officers of the Department in the execution of the work will be considered, whatever may be the reason for such delay. Extension of time due to delay caused by the Department or in the usual course of events will however be considered on the merits of the case.

15. The various places in Coorg from which paddy and rice have to be transported and mileage from and to place may be verified in the office of the undersigned during the office hours on any working day.

9076

L. MUNISWAMY, Dy. Commr.

OFFICE OF THE ASSISTANT DIRECTOR OF AGRICULTURE, SHIMOGA CIRCLE, SHIMOGA.

Notification.

1 Notice is hereby given that sealed tenders will be received in the office of the undersigned up to 2 P.M. on 7th March 1949, for the transport of spraying materials noted in the schedule below. The quantities noted in the schedule are only approximate. The contractor will have to transport smaller or larger quantities at the rates accepted.

2 The tenders should be sent in the form below noting the rate per ton per mile at which the transport of materials will be undertaken. The mode of transport that will be employed by the tenderer such as lorry or bullock-carts should be indicated.

3 Each group specified in the schedule will be considered as a separate tender. The earnest money as shown in column 8 of the schedule should be deposited at the Government Treasury and the remittance chellan should be produced along with the tender. Tenders not accompanied by the chellan will be rejected.

4 The contractor shall be held responsible not only for delivering correct number and weight of the materials at the destination but also for safeguarding against damage by rain or other causes during the time they remain in his charge.

5 The rates tendered will be inclusive of all handling charges, i.e., unloading and loading at points of receipt, and unloading and depositing at points of delivery.

6 The contractor should undertake the transport promptly on receipt of the material. The material will be given to the contractor at intervals during a period of six months (either whole or in part) at the stations noted in the schedule. This contract will be in force for six months from the date of acceptance of the tender.

7 The final acceptance of the tender vests with the Director of Agriculture who does not bind himself to accept the lowest or any tender or to assign any reason therefor.

8 In case of dispute of any kind with regard to the actual road mileage or any other aspect of the contract, the decision of the undersigned shall be final.

9 Whenever departmental lorries are available for transport work on any of the routes indicated in the schedule, such transport work will be got done departmentally, for which the contractor should have no objection.

10 Within eight days after the acceptance of the tender is notified to the successful tenderer, he will be required to deposit as security the amounts noted in column 10 of the schedule and to execute the usual agreement for the due fulfilment of the contract, in default of which his tender will be considered as cancelled and his earnest money will be forfeited to Government.

(i) The tenders must be superscribed as "Tender for the transport of spraying materials".

(ii) The tenders will be opened by the undersigned at his office at 3 P.M. on 7th March 1949 and such of the tenderers as may choose to be present may be present at the time.
